INSTITUTION/CONTACT PERSON:				
	Last Name	Eshev	First Name	Alibek
Institution	Karshi engineering-economic institute			
Role in the institution	Head of international department			
Address	Mustakillik 225, 180100			
Town	Karshi	Country	Uzbekistan	
Telephone	+998914568805	Email	alibek_8805@mail.ru alibek_8805@yahoo.com	
Homepage address of the institution	www.qmii.uz			
INFORMATION ABOUT THE PLANNED PROJECT:				
Erasmus+ International co-operation Activity (higher education sector) – type of the project idea	Please, tick the appropriate one/ones: <input checked="" type="checkbox"/> Erasmus+ KA1: International students and staff credit mobility <input type="checkbox"/> Erasmus+ KA1: Erasmus Mundus Joint Master Degrees <input checked="" type="checkbox"/> Erasmus+ KA2: Capacity Building Higher Education in Partner Countries <input type="checkbox"/> Erasmus+ Jean Monnet programme			
Discipline / Academic field	Higher Education Research			
Institution's preferable role in the project? (applicant/partner)	<input type="checkbox"/> Applicant <input checked="" type="checkbox"/> Partner			
Which countries are about to be involved?	Erasmus+ Programme Countries	any		
	Erasmus+ Partner Countries	Eastern Partnership Central Asia		
Working language of the project consortium = language of the project application	English, Russian			
Duration of the project	2-3 years			

**PROJECT DESCRIPTION:****Objectives**

Karshi Engineering-Economic Institute was established by the Cabinet of Ministers of the Republic of Uzbekistan on 3 June in 1995 on the basis of Karshi branch of Tashkent State Technical University and Karshi Agrarian-economic Institute which was established by the Cabinet of Ministers of 28 February 1992 on the basis of Karshi branch of the “Tashkent Institute of Irrigation and Agricultural Mechanization Economy” had existed since 1975. Currently, the institute has 7 faculties (Economics, Industrial technology, Vocational education, Oil and gas, Energetic , Engineering-technical) 27 departments, the department of scientific and scientific-pedagogical staff, the center of “Professional Development”, the center of “Talented Students”, 2 academic lyceums at the institute. 7559 bachelors are trained in 30 specialties, 85 master’s degrees in 7 specialties. Students are taught by 306 teachers. 15 of them are doctors and professors, 125 associate professors and candidates of science. Scientific ability of the institute 56,3 %. As a postgraduate of the institute in three specialties young professionals are doing scientific work. International relations are well organized at the institute and “The department of international relations” is in act. Currently, scientists of the institute are working with more than 20 foreign countries’(such as Germany, China, Italy, Southern Korea, Netherlands, Poland, USA, Israel, Swedish, Spain, Russia, Ukraine, Belorussia, Kazakhstan) higher educational institutions on the basis of mutual scientific-applied co-operative contracts. Our students are currently studying at the foreign higher educational institutions of the countries such as USA, Italy, England, Belgium, and Germany. More than 40 of our teaching staff members have improved their qualifications in foreign universities.

Our mission is to modernize and improve the education system in Uzbekistan. The faculty, students, and staff at the Institute of Education engage in a wide range of relevant issues, using an integrated approach to investigate various problems from different perspectives: • Basic research, applied research, and development studies; • Expert analysis; • Consulting on education and education reform; • Teaching and training; • Professional exchanges, conferences, and cooperation.

We are looking to expand our international links and are looking for partner universities preparing a bid for an Erasmus+ project in the area of “Academic exchange between European HEIs on different spheres such as comparative study economical latest achievements, Ecological issues such as Aral Sea, effective use of water resources, water and air pollution in Europe and Asia, General food industry, Transport-communication innovations in Europe, dissemination in Uzbekistan, Oil and gas production and consumption, teaching foreign languages in technical Universities, University-enterprise cooperation, entrepreneurship and employability of graduates”.

Activities
